

Greetings Ladies,

'Talitha Cumi' Woman's Retreat:

1. Due to the pandemic, the usual format of our Women's Retreat will not be the same. So, come expecting something different.
2. Our regular musicians will not be there due to limited bed space. Therefore, bring your voices.
3. Bring a mask and hand sanitisers.
4. Please maintain 'social distancing'. Let us be mindful of our sisters who are required to distance themselves due to health issues.

*#Please Note:*

*There have been some recent changes in Government Guidelines due to increased levels of Covid positive tests therefore extra vigilance will be required in maintaining 'Social Distancing'.*

5. Our conference co-ordinator has informed me that Ashburnham is included in the recent Government Guidelines exemptions.

They are described as a place of education and work. With this in mind, they have asked to see evidence of teaching on our programme.

6. Please fill in the application form. Ensure you document your full address, including your postal code. This is vital for 'track and trace'.

7. Please Note:

We are not able to hire a coach due to recent Government Guidelines re: 'Social Distancing'.

so please see information above on how to get to Ashburnham. Taxis are made available to take you from the station to venue site.

8. We have now secured your bed space. Final payment is due three weeks before the event.
9. Our story-line is on Zelophehad's Daughters.

*Topic: 'YET - i - RISE':*

*Theme: 'Possessing Your Inheritance'.*

*Text: Numbers 27:1-8*

10. Lastly, when the Lord wants to get something done, He goes ahead despite our reluctance or compliance. Thus, when God moves forward, we can only but follow. (Hence, this Retreat).

Don't you think it strange that the Government has cracked down on all 'Gatherings' except places of worship? Churches are not limited to 30 people, it's restrictions is guided by the size of its building. If the building can hold 100 people and still adhere to social distancing, then this is OK. What is God up to?

Weddings is down to 15 and funerals strictly 30, if these rules are broken, we will be penalised. This is set in place for 6 months. So, God wants His people not to forsake gathering together... especially as you see the day approaching. Amen

One of the aims of this Retreat is to 'Minister to the Ministers'. We believe that those who are constantly pouring out, require a pouring in.

Blessings my sisters. See you soon.
